Year 5 Able Mathematicians Masterclass Event 19th June

River Academy hosted the event with 6 local primary schools attending with 47 students from year 5, in a total of 12 teams. Thameside, Battle, Micklands, St Pauls, Meadow Park and The Heights competed in teams of up to 4 with some very challenging materials from the UK Maths Trust. Students had to complete a Group Round, a Logic Puzzle and a Relay Round. Year 7 maths ambassadors supported Mrs Strong and Mr Mo in running the event and marking the students work. 1st, 2nd and 3rd places went to teams from The Heights and Battle. It was a great event with River Academy getting to know our local primary schools.

Benas Arbocius took part in the English Chess Federation Maidenhead Junior Chess Tournament last weekend (14th June 2025), and after a lot of tough matches, Benas won the 'Top Section' trophy.

We're really proud of the work Benas has put in and wanted to congratulate him on this outstanding achievement.

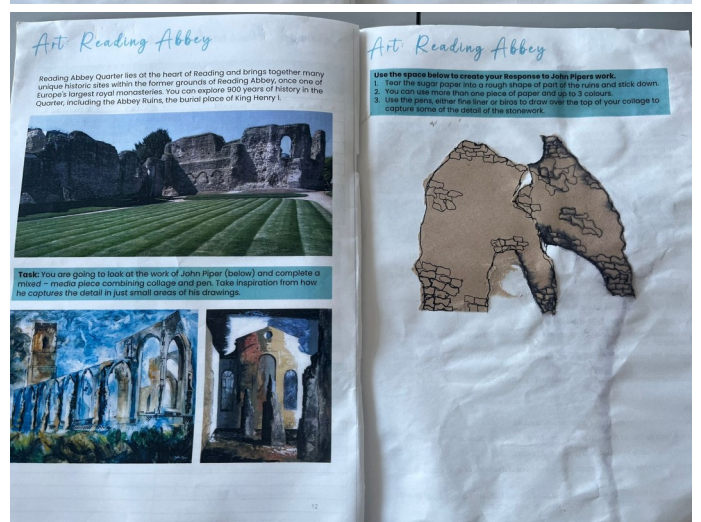

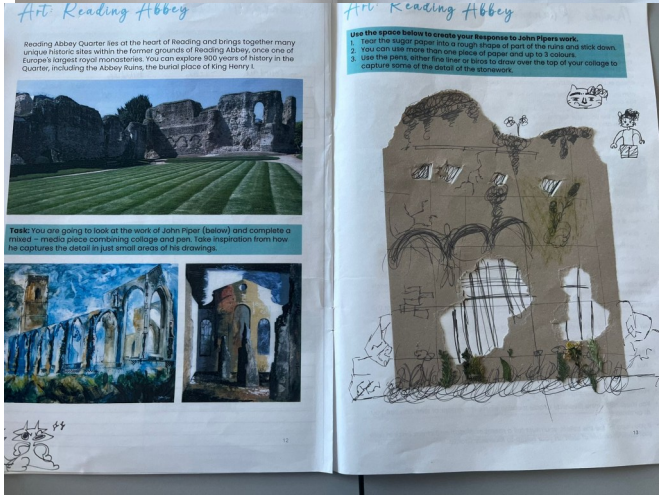

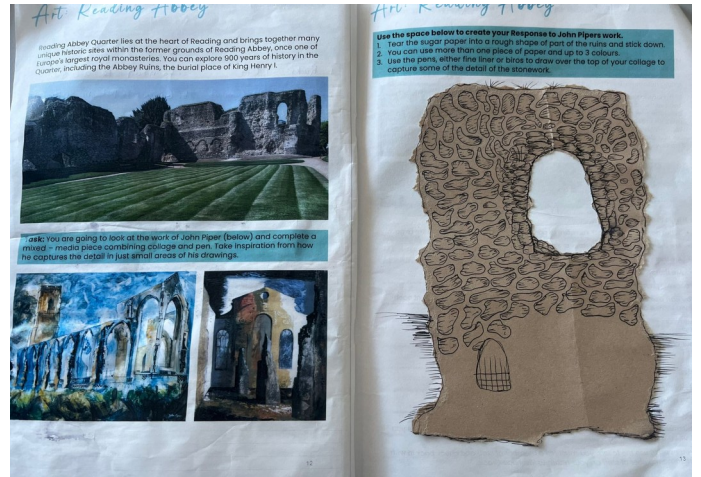

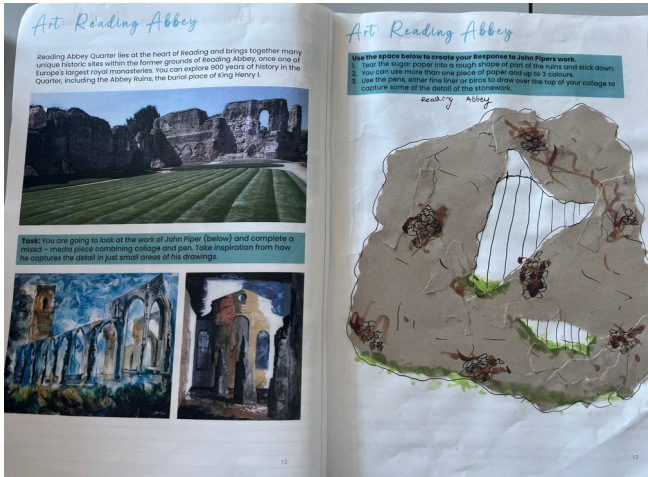

WELL DONE BENAS!

My Home Town Trip

A huge well done to you all for a great day out this week. Covering almost 18,000 steps, it was a busy (and warm!) day - and what a great way to apply our knowledge and skills from this year to real life contexts. We really do hope you choose to go and explore these places further - they are part of you and your identity.

June Maths Problem of the Month

Maths Problem of the Month – June 25

Answer the question below. Submit your answer to your form tutor or Mrs Strong by the end of the **25th June**. You can only submit one answer. All correct answers will be awarded 3 merits.

It takes Alan 15 hours to sort and fold 900 leaflets. Jenny does the same work in 10 hours.

How long will it take if they do the job together?

Maths - Kerbooodle

Maths - kerbooodle

A quick reminder that all students have access to the maths text book we use in school, online, via www.kerbooodle.com. Students have been given their usernames and have set their own passwords. If a password reset is needed, students need to speak to their maths teacher. The institution code for the school is dyu6. We are currently working on Chapter 8. If any student has missed anything in class or would like to go back through the work, having access to the textbook online will be helpful. Please don't get ahead of lessons in school though.

PE Update

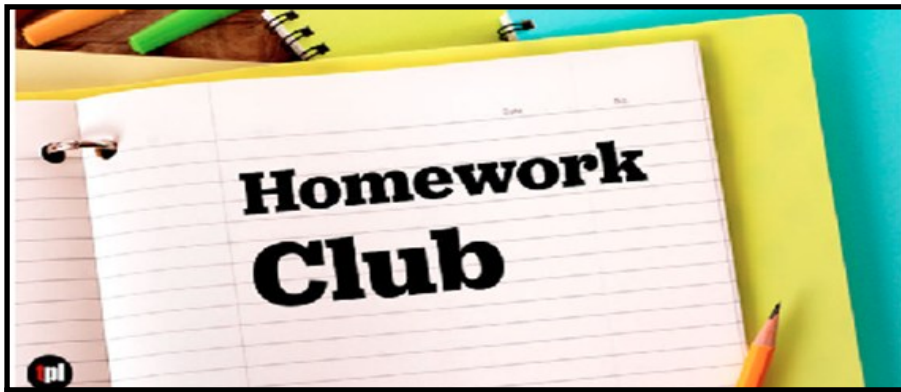

Lessons:

Just as a reminder that after the Easter holidays we will be moving to our summer PE kit. Whilst the River PE shirt will remain the same, students are to no longer wear tracksuit bottoms or the long, black football style socks. Instead, they are going to be expected to wear crew length white socks (pictured below) and black shorts. The reason for this is because the weather is (hopefully!) going to improve and tracksuit bottoms will not be necessary in the heat. Furthermore, if everyone is wearing white socks, this will create a sense of community and everyone looking the same with no one standing out. I do not mind if there is a logo on them, such as the Nike tick on the socks in the picture below. Please note that students wearing black/grey/blue socks will result in a demerit and breaktime detention for incomplete kit. If this is going to present an issue, please email me and let me know and we can discuss how to move forward.

Injury/illness in PE

Again, just as a reminder that if your child is poorly/injured and is unable to take part in PE as they normally would, can you please ensure they are still sent to school with their PE kit so they can still get changed to take part in the lesson. Whilst this does not mean they will be taking part as a participant, there are other roles in the lesson they can undertake, such as that of an official, coach, sports analyst, or helping with equipment. Moreover, if it is raining and we still go outside, I do not want the students' uniform to become wet and then they must sit in damp clothes for the rest of the day. If, however, they have broken their arm/leg/foot or are in a cast or on crutches, then there is no expectation they bring in their kit to get changed. Thank you for your cooperation with this, if there are any issues, please email me on j.clare@maidenerlegitrust.org and we can discuss how to move forward

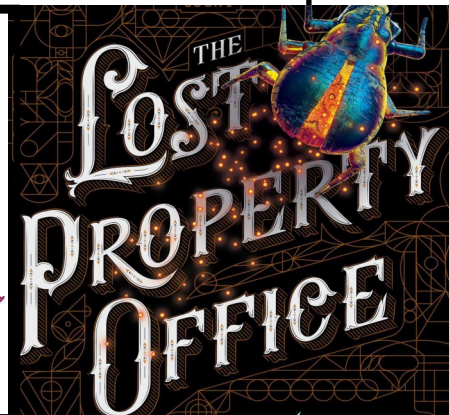

Homework club will run on Tuesday and Thursdays in the LRC from 3:35 -4:30. It is a voluntary, supervised, drop-in session each time. Students need to let their parents know in advance that they will be staying and a register will be kept for students to sign in and out. Students need to bring booklets and equipment needed for them to complete their homework independently with adult support available. We look forward to seeing you there!

Lost your blazer?

Cant find your tie?

Walked home in one shoe?!

Come and look in our Lost Property Box in Student Reception before or after school

Bike Helmets!

- You must wear a bike helmet if you are cycling to and from school.
- If you are seen without your helmet, you will be given a warning.
- If it happens again, you will not be allowed to use the schools bike storage facilities for one month.
- Stay safe and wear your helmet!
