June Maths Problem of the Month

May maths problem of the month, answer was Helen, Bridget, Mandy, Camilla, Lizzie. - well done to those that took part - 3 merits each.

Here is June's Maths Problem of the Month: Lots of students got this correct - very well done.

Maths Problem of the Month – June 25

Answer the question below. Submit your answer to your form tutor or Mrs Strong by the end of the **25th June** . You can only submit one answer. All correct answers will be awarded 3 merits.

It takes Alan 15 hours to sort and fold 900 leaflets. Jenny does the same work in 10 hours.

How long will it take if they do the job together?

Maths - Kerboodle

Maths - kerboodle

A quick reminder that all students have access to the maths text book we use in school, online, via www.kerboodle.com.

Students have been given their usernames and have set their own passwords. If a password reset is needed, students need to speak to their maths teacher. The institution code for the school is dyu6.

We are coming to the end of Chapter 5. If any student has missed anything in class or would like to go back through the work, having access to the textbook online will be helpful. Please don't get ahead of lessons in school though.

PE Update

Lessons:

Just as a reminder that after the Easter holidays we will be moving to our summer PE kit. Whilst the River PE shirt will remain the same, students are to no longer wear tracksuit bottoms or the long, black football style socks. Instead, they are going to be expected to wear crew length white socks (pictured below) and black shorts. The reason for this is because the weather is (hopefully!) going to improve and tracksuit bottoms will not be necessary in the heat. Furthermore, if everyone is wearing white socks, this will create a sense of community and everyone looking the same with no one standing out. I do not mind if there is a logo on them, such as the Nike tick on the socks in the picture below. Please note that students wearing black/grey/blue socks will result in a demerit and breaktime detention for incomplete kit. If this is going to present an issue, please email me and let me know and we can discuss how to move forward.

Injury/illness in PE

Again, just as a reminder that if your child is poorly/injured and is unable to take part in PE as they normally would, can you please ensure they are still sent to school with their PE kit so they can still get changed to take part in the lesson. Whilst this does not mean they will be taking part as a participant, there are other roles in the lesson they can undertake, such as that of an official, coach, sports analyst, or helping with equipment. Moreover, if it is raining and we still go outside, I do not want the students' uniform to become wet and then they must sit in damp clothes for the rest of the day. If, however, they have broken their arm/leg/foot or are in a cast or on crutches, then there is no expectation they bring in their kit to get changed. Thank you for your cooperation with this, if there are any issues, please email me on j.clare@maidenerlegitrust.org and we can discuss how to move forward

Look out for the letter with full details of our **upcoming trip to PGL**.

This will include important information such as the itinerary, a packing list, and key reminders to help you and your child prepare.

 **Within this letter, you will also find:**

- A **link to our medical and dietary form**, which must be completed to help us support your child's health and wellbeing during the trip.
- A **link to the student rooming request form**, where students can indicate who they would like to share a room with during the trip.

We kindly ask that these forms are completed and submitted as soon as possible.

Thank you for your continued support — we're looking forward to an amazing adventure!

<p>Lost your blazer? Cant find your tie? Walked home in one shoe?!</p> <p>Come and look in our Lost Property Box in Student Reception before or after school</p>	A decorative sign for "THE LOST PROPERTY OFFICE". The text is in a stylized, white, serif font with a drop shadow effect. A large, colorful beetle is positioned in the upper right corner of the sign. The background is black with intricate white geometric patterns.
