Please ask for more information if you have any allergies.

## Monthly Maths House Competition - July

Here is the July maths problem of the month. The deadline for answers is 16<sup>th</sup> July. The answer to June maths problem was 6 hours, congratulations to those people who got it correct!

### Maths Problem of the Month – July 25

Answer the question below. Submit your answer to your form tutor or Mrs Strong by the end of the **16th July**. You can only submit one answer. All correct answers will be awarded 3 merits.

Stephen and Mary sat fishing. After a while Stephen said: "If you give me two fish, we will have the same number". Mary replied: "If instead I get two from you, then I will have twice as many as you". How many had each then caught?

### Maths - Kerboodle

#### **Maths - kerboodle**

A quick reminder that all students have access to the maths text book we use in school, online, via [www.kerboodle.com](http://www.kerboodle.com). Students have been given their usernames and have set their own passwords. If a password reset is needed, students need to speak to their maths teacher. The institution code for the school is dyu6. We are currently working on Chapter 8. If any student has missed anything in class or would like to go back through the work, having access to the textbook online will be helpful. Please don't get ahead of lessons in school though.

## Road to Reading

Here is a summer reading challenge that both students and their parents and guardians can get involved in this summer.

The Road to Reading challenge (from the Reading Agency) has been set up to help motivate and inspire you to read over the summer. All reading counts! Short stories, novels, audiobooks, graphic novels and more!

You can sign up here for the challenge: [Road to Reading - The Reading Agency](#)

If you have younger siblings/children who would like to get involved too, check out this link for a reading challenge for primary aged children: [Summer Reading Challenge](#)

### Recommended Reading Lists

With summer coming up, it is so important that you maintain the habits you've been developing all year when it comes to reading. If you are stuck on what to read next, please use the recommended reading list that has been shared with you and your parents/guardians to help you find a book to enjoy. There's lots of books from all different genres, so there will be something to interest everyone. Happy reading!

A fantastic effort this week from our Students who completed their Fajita practical at home. It's great to see their hands on skills being put to use outside of their lessons.

## Delicious Fajitas: A Taste of Mexico

Spice up your life!

## School Disco - 18.07.2025, 6-8pm

We're excited to invite all River Academy students to our **School Disco** on **Friday, 18th July** from **6:00pm to 8:00pm** in the **school hall!**

This fun evening of music, dancing, and treats is a great way to celebrate the end of term. We encourage all parents to support the event and help make it a fantastic night for the children.

**Tickets are £5, available at the door - cash or card accepted.**

Please **bring some change** if your child would like to buy **sweets or drinks** during the event.

Let's make it a night to remember!

The deadline to fill this form up is 16th July, 11:59pm.

Click [here](#) to get to the form and register your interest!

RIVER ACADEMY

# PE KITS NEXT WEEK

**Its going to be hot!**
