On Wednesday there will be a selection of sausage rolls, chicken burgers and pastries to buy in the canteen at break time!

Ignite Trip:

We had a brilliant time visiting the University of Reading, all came away wanting to learn more about HE! Students enjoyed a campus tour & experienced a student lunch. Highlights included learning more about Ancient History and Gladiators as well as a hands-on experiment extracting DNA from strawberries!

Monthly Maths House Competition - July

The answer is:

14 and 10 fish. Thank you 😊

Maths Problem of the Month – July 25

Answer the question below. Submit your answer to your form tutor or Mrs Strong by the end of the **16th July**. You can only submit one answer. All correct answers will be awarded 3 merits.

Stephen and Mary sat fishing. After a while Stephen said: "If you give me two fish, we will have the same number". Mary replied:

"If instead I get two from you, then I will have twice as many as you". How many had each then caught?

Maths - Kerboodle

Maths - kerboodle

We have now completed the Mosaic book 1 for year 7. If you would like to look back at anything we have covered in maths lessons this year during the school holidays, the institution code is dyu6. Please DO NOT start looking at Mosaic book 2. Your maths teacher will take you through this during year 8!!

Recommended Reading Lists

With summer coming up, it is so important that you maintain the habits you've been developing all year when it comes to reading. If you are stuck on what to read next, please use the recommended reading list that has been shared with you and your parents/guardians to help you find a book to enjoy. There's lots of books from all different genres, so there will be something to interest everyone. Happy reading!

- You must clean out your lockers by Monday afternoon. Any lockers left with locks on will be cut and the contents thrown away.
- Any lost property left at the end of the year will be thrown away. We will have a collection table outside student services at lunch time for you to collect any lost property.

The Parents' Corner!

This summer the bounce park is back! Students get a discount using the code student20

Have a fantastic summer holiday!

Stay safe and we will see you on 8th September 2025
