MEDICAL APPOINTMENTS

If you need to book a medical appointment for your child, please try to arrange it **outside of school hours** whenever possible. If this isn't possible, aim to book appointments **early in the morning** or **towards the end of the school day**. This helps ensure students miss as few lessons as possible.

If your child is unwell, please refer to the **NHS guidance** when deciding whether to keep them at home: [Is my child too ill for school? – NHS](#)

If your child has an appointment during the school day, please bring them to school before or after the appointment -even if it is just for one period. Every single period counts, as each lesson missed is valuable learning time lost.
