Y7 & Y8

Sign up required – outside 1.24

Speak to Ms Myers if you have any questions.

## Monthly Maths House Competition

March answer was—Tuesday

### Maths Problem of the Month – April 2026

Answer the question below. Submit your answer to your form tutor or Mrs Strong by the end of **Thursday 30th April**. You can only submit one answer. All correct answers will be awarded 3 merits.

In a farmyard there were three cats: Fluff, Sooty and Tiddles. One day a cat came back with something in its mouth. If it had white paws, it could be Fluff or Sooty. If it had no tail, it was Sooty. If it had caught a mouse, it could be Fluff or Tiddles. The cat which came back had caught a mouse, had black paws and a long tail.

What was it called?

Y7s.

Realise your power.

Unlock your power by joining our weekly maths circles! Immerse yourself in a community of passionate peers, where you'll tackle interesting problems, learn new things and increase your love and confidence in maths.

If you would like to attend - speak to your maths teacher.

## **MEDICAL APPOINTMENTS**

If you need to book a medical appointment for your child, please try to arrange it **outside of school hours** whenever possible. If this isn't possible, aim to book appointments **early in the morning** or **towards the end of the school day**. This helps ensure students miss as few lessons as possible.

If your child is unwell, please refer to the **NHS guidance** when deciding whether to keep them at home: [Is my child too ill for school? – NHS](#)

If your child has an appointment during the school day, please bring them to school before or after the appointment -even if it is just for one period. Every single period counts, as each lesson missed is valuable learning time lost.
