Reporting absences

RIVER ACADEMY

If you need to report an absence, please do so daily by 8:00 a.m. via the Class Charts App. If you are unable to log the absence on Class Charts, please send an email to riverattendance@maidenerleghttrust.org.

For any attendance-related matters, please contact us at riverattendance@maidenerleghttrust.org.

MEDICAL APPOINTMENTS

If you need to book a medical appointment for your child, please try to arrange it outside of school hours whenever possible. If this isn't possible, aim to book appointments early in the morning or towards the end of the school day.

This helps ensure students miss as few lessons as possible. If your child is unwell, please refer to the NHS guidance when deciding whether to keep them at home.

If your child has an appointment during the school day, please bring them to school before or after the appointment – even if it is just for one period. Please let us know in advance if they have to leave early or will arrive late.

Dear Parents/Carers,

CAREERS EVENT!

In keeping with our school values of community, respect, excellence, empathy and determination, River Academy is looking to create a student body that is aspirational and well-informed about the wider world. In order to inspire that curiosity and autonomy, we will be coordinating our first **Careers Event** in the autumn term – and we would love you to be a part of it.

We are looking for **volunteers** to come into school to share as much information and enthusiasm about the working world as they can with our students, in order to help them start to understand the different options that lie before them and the requirements that might be necessary.

If you:

- Work in a job that you or other people find particularly interesting
- Work in an industry that requires specialist knowledge, or features specific pathways to entry
- Have had a varied working life, in different industries or roles, or with different outlooks and motivations
- Or you just love your job and would enjoy telling our young people all about it.. **then please do get in touch!**

We would also like to hear from our wider community, so if you:

- work for a company that has regular outreach programmes to schools, or if
- know someone who is regularly invited in to talk to schools
- work for a company / organisation who could host a work experience placement for a River student in the future...

then please share the link below so that we can make contact with them.
