

Dear Parents and Carers,

We have some last-minute updates for Thursday that we would like to share with you.

Headteacher's Challenge

Please make sure the students bring in or send in their Headteacher's Challenge on Thursday. I can't wait to see them and share them with our form tutors.

Can I remind you of the wording of the task from our Parent handbook that we shared at the induction events with parents and students.

- *We would like all students to produce a piece of work that tells us something about themselves. This could be a photo montage, a model, a film, a mind map, a painting or any other medium that would best communicate each child's story.*
- *Tutors and senior staff will use these pieces of work as a way of gaining insights and understanding of their new intake of students.*
- *There will be prizes for the very best pieces of work, both in terms of effort, accomplishment and ingenuity.*

Ties

We are delighted that the correct ties have now been delivered to school. As per my previous communication please can any student that has got an incorrect tie wear it on Thursday and we will exchange it with the students during the day.

ParentPay and School meals

Please make sure your ParentPay accounts have credit on them for school meals that will need to be purchased. Please note we are unable to provide pre-school breakfasts or snacks for break time in the first two weeks of term. Please be reminded that students will be expected to eat one of our meal choices or have a packed lunch as they will all be sat down for lunchtime.

Additionally, we will be asking students to pre-select their meal choices each morning so that they can quickly pick up their food as they enter the canteen.
